# TPU Research Cloud

## Congratulations! You're invited to use free Cloud TPUs.

Hi Niloy Deb,

We're happy to invite you to use Cloud TPUs for free for 30 days!

To claim your Cloud TPU quota, please follow these steps:

1. Create a [Google Cloud project](#).
2. Turn on the [Cloud TPU API](#) for that project.
3. Send us your project number via [this short form](#).

Your exclusive, free 30-day trial will start after you send us your project number. We'll provide more information to help you get started then. In the meantime, please check out the quick overview below.
